

Luis Ponce de León

Principal Product Designer at PonceDesign

503 752 2982 · luisponcedesign@gmail.com · poncedesign.com · linkedin.com/in/ponce · Portland, Oregon

PROFILE

Senior design leader with **20+ years** in data dense B2B SaaS, HealthTech, and mobile products used at scale. Specializes in AI native experiences, complex workflows, and integrations that drive measurable growth. Partners with Product and Engineering to lead discovery, navigate ambiguity, and ship faster through design systems and AI prototypes.

EXPERIENCE

Sept 2026 to Present <i>Remote</i>	Principal Product Designer · PonceDesign <i>Digital agency for product design, AI development, and motion</i> Product design, AI prototyping, and motion design for product teams. Open to new projects.
June 2020 to Sept 2026 <i>Remote</i>	Senior Product Designer · Seismic <i>Enterprise sales enablement SaaS</i> - Led the AI powered mobile redesign with PM and Engineering: 25% YoY growth in monthly active users and an internal MVP award. - Design lead for Seismic Exchange and Integrations: Slack up 141% YoY and CRM at 43M actions. - Designed the Aura AI assistant on mobile; led Aura Voice after interviews showed demand on phones. - Built functional prototypes in Claude and Figma Make to validate AI flows and speed developer handoff. - Defined mobile and responsive patterns for the Mantle design system, scaling consistent UI across teams. - Led Day in the Life research and a JTBD workshop for Headless seller workflows; enhanced Global Variables configuration UX.
Jan 2019 to Mar 2020 <i>Portland, OR</i>	Senior Product Designer · Vacasa <i>Vacation rental platform</i> Redesigned reservation and operations dashboards and streamlined financial workflows for internal teams.
May 2018 to Dec 2018 <i>Portland, OR</i>	Staff User Experience Designer · Dexcom <i>HealthTech, medical devices</i> Led UX strategy for CGM mobile applications, improving usability of critical healthcare experiences.
June 2015 to May 2018 <i>Portland, OR</i>	Lead User Experience Designer · Viewpoint Construction Software <i>Enterprise construction and FinTech SaaS</i> Modernized analytics and BI dashboards and redesigned enterprise accounting workflows.
Sept 2012 to June 2015 <i>Portland, OR</i>	Senior User Experience Designer · WebMD <i>Digital health</i> Designed mobile and web experiences for health platforms and coaching tools, including the BlueCross BlueShield Federal Employee Program.
Teaching <i>Portland, OR</i>	Teaching · SCAD, Portland State University, The Art Institute <i>Adjunct faculty</i> Taught UX/UI, multimedia, and product design; mentored emerging designers.
